

# APPROVED VENDORS LIST

*The City of Mountain View may not vouch for the quality of product, nor the satisfaction or overall experience of any participating vendor. The City reserves the right to approve all vendors in advance.*

The City of Mountain View requires vendors insurance for all private rentals taking place at city facilities. Vendors on the below list have already met the city's requirements and therefore can be contracted with. Private rentals may contract with one (1) additional vendor off of the approved vendor list, provided they meet the strict insurance requirements set forth by the city. These requirements are listed at the end of this document along with sample insurance certificates and endorsements. Staff must be notified about outside vendors of which a signed agreement has been made at least 30 days prior to event date so insurance can be secured. If an outside vendor cannot provide insurance along with the required endorsements, they cannot provide services on City of Mountain View property.

### *Clarifications:*

- Friends and family often provide services such as catering, DJ, planning etc. In these cases, insurance is not required. Insurance is only required for vendors of which you have entered into a written contract with and will be performing services on site.
- Vendors such as florists, bakeries and party favors which drop off small items do not need to provide insurance.
- Priority was given to Mountain View based businesses, and then to those that have been highly utilized by past clients.
- The list will be updated annually.
- New caterers must meet city staff on site prior to event date to ensure city policies and procedures are followed.
- Food trucks with a current Mobile Vendor Permit in Mountain View are eligible to cater events provided they follow Mountain View City Code Chapter 15 and facility rental policies.
- Wedding planners that supply Commercial General Liability, Workers Comp and Auto insurance along with acceptable endorsements are able to contract with vendors of their choosing provided the wedding planner's insurance lists all covered vendors and they assume all liability and risk for outside vendors.

# Insurance Requirements

It is the policy of the City of Mountain View to require insurance coverage of all persons with whom the City does business in an effort to minimize risk of loss and liability to which the City of Mountain View may be exposed. The City's insurance coverage cannot completely mitigate all risks of exposure; other forms of contractual risk transfer are often required. Certificates of insurance are one of the common methods emphasized in this policy. Insurance coverage shall be subject to the approval of the City of Mountain View and shall be provided through carriers with a *Best Rating Guide* rating of A:VII or higher.

## Requirement 1) Insurance

Vendors must provide Commercial General Liability insurance in the amount of \$1 million dollars naming the City of Mountain View, its officers, officials, employees, agents, volunteers, contractors as additional insured. Workers' Compensation insurance in the amount of \$1 million must also be listed.

## Requirement 2) Endorsement

A separate endorsement also naming the City of Mountain View, its officers, officials, employees, agents, volunteers, contractors as additional insured is also required for the CGL.

## Requirement 3) Auto Coverage/Endorsement

Additionally, any contracting party operating or utilizing vehicles in connection with the work being performed are required to obtain and produce evidence of automobile liability coverage in the amount of \$1 million dollars. A separate endorsement also naming the City of Mountain View, its officers, officials, employees, agents, volunteers, contractors as additional insured is also required.
