Results:

Team: _____

Won By: _____ set to _____

Referee: _____

Comments:

RULES SUMMARY:

- Matches 2 out of 3 games. First 2 games to 25 points. Third game to 15 points if needed. Team must win by 2 points. All games rally scored.
- Players are allowed to serve anywhere be-
hind the line. Serves off the net will be played.
- In the Middle School League: Each time a player comes to the service seat, the first serve must be overhand, and if it does not make it over, there will be a second serve, which can be underhand. The server can finish out serving either over or underhand. After a player serves the ball over the net and wins a point, the second serve is not given if the server does not get the ball over the net on the next serve.
- In the 4th/5th grade league, the server can choose to serve either underhand or overhand, and if it does not make it over, the server will have a second serve. After a player serves the ball over the net and wins a point, the second serve is not given if the server does not get the ball over the net on the next serve. This league will have a step-in line (8ft.). If the serve does not make it over the net after the second attempt, the point goes to the non-serving team and a coach from the serving team will throw the volleyball over the net to the opposing team. Ball is playable, but no additional points will be awarded.
- Server will only be allowed to serve 5 consecutive points.
- Substitutions will occur every side out at middle back position only for team regaining possession.
- SEE LEAGUE RULES FOR MORE DETAILS!
