This is not a ticket, but if it were within my power I would make sure you never received another ticket again. Your parking skills are absolutely superb. The only thing you may have violated is parking TOO good. Your vehicle fits into this spot so nicely that I even took a picture of it to show my children later today, so that they aspire to park as well as you someday. All I want to offer is my congratulations and my well wishes as you go about your day. Your parking job has put me in a supremely good mood and I want you to just give yourself a big ol' pat on the back for this. Keep up the great work. Keep making the world a better place with your skilled parking. Keep being you. Have a wonderful day!
