Example: If your rush is scheduled on a Monday, you will need to start the pre-treatment medications on the Thursday prior to the scheduled Monday.

Please arrive at our office at your scheduled time and plan on being here for 6-8 hours. You will not be able to leave the office, so bring or make arrangements for someone to bring food/snacks etc. Water cooler is available at Denver West and North offices so bring a water bottle to fill. There are refrigerators and microwaves available as well. Wireless internet is available at the Denver West and North offices. Dress comfortably and preferably wear a short sleeve shirt.
