

Player Evaluation Form: 1-5 (5 being "best/highest")

The evaluation process is critical to the ongoing growth and improvement of soccer players. It is also an essential tool to keep the player and coach "on the same page". It is recommended that parents are included in this process. Players should not view a "5" as perfection nor should they view a lower score as a weakness or criticism; rather as an opportunity. Coach & player should collaborate on goals for the upcoming season(s).
