Executive Summary

Creating Engaging Social Content

Beginning with quick yet thorough planning/preparation, our team will plan out a dynamic on-going **social content calendar** to guide you to your goals.

We will grow an increasing social audience and follower base through: hash tag campaigns, strong use of keywords, sharing/retweeting relevant news, "liking" posts, staying updated within the industry, and contributing our own unique content to broaden reach.

Integrate Social Media Activity into Other Marketing Plans

With clear communication and monthly brainstorm meetings, we'll be able to consolidate the marketing initiatives to fit your goals and promotional material.

Campaigns via social media are more important than just sharing about giveaways, sales, contests, and/or promotions. We will agree on a schedule for a series of posts to keep up the exciting momentum for all prospective customers.

Posting Company Related Updates

Our plan is to engage our social media audience by sharing company news, press releases, events, employee spotlights, and more.

We will also pay close attention to industry trends, and share it. This will help to gain exposure with your **target market**.

Promotions and Social Campaigns

We will utilize social channels to connect with your follower base, and engage them with promotions to get them excited about both current events, and the brand itself.

These campaigns can last as short as a day, or can run up to six months. We'll be able to analyze the results from each campaign, and then we will provide a report of it's success.

Results of campaigns can be compared so the most effective promotions, offers, or contests can be replicated.

Sustained Monitoring

It is important to regularly maintain marketing activity for maximum growth.

We will continually **monitor** each channel, and will respond to any questions, comments, and posts within a two hour time period. Two hours will allow us to confirm that accurate information is relayed back to the person asking.

Analytics

We will provide you with:

Daily and Weekly Analytics — Such as: follower growth, reach, demographics, comments, "likes", shares, retweets, etc.

Reporting- Summarizing various results and activities over each quarter.

We will set up a meeting to go over the results, to then tweak our approach accordingly.
