

Comprehensive Student Health Form

All students planning to attend Mount Marty College are required to submit this completed form <u>PRIOR</u> to the first day of classes.

In order to provide you the best possible health care while you are a student at Mount Marty College, we require you to complete this form prior to the first day of classes. The Health History is essential for appropriate treatment of acute conditions, to ensure continuity of care for chronic conditions and to comply with statutes concerning student immunizations. All information obtained is regarded as confidential and will be shared with other college personnel only on a need-to-know basis. PLEASE MAKE A COPY OF THE COMPLETED FORM FOR YOUR FUTURE USE.

Answer all questions. Complete the Health History, Immunizations, Emergency Medical Information, and Mental Health History forms. <u>Please return or mail completed form directly to the Office of Student Affairs</u>, 1105 West 8th St., Yankton SD 57078.

Disability Accommodations

Accommodations are provided in accordance with Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990 for eligible students upon request. Eligible students must provide documentation that appropriately substantiates the need for requested accommodations. If you need accommodations, please contact the Disabilities Services Office at 668-1600. Forms and information on the accomodations web process can also be found on the Disabilities Services webpage under Student Life.
